"The help I have received from Bright Care has more than met my expectations. My carer is friendly, warm-hearted and always keeps me cheerful! She has helped me face life again after my time in hospital."

- J Currie

"Bright Care provides care and companionship that caters directly to my husband's needs. He was becoming more and more frustrated with his inability to do the things he used to do. Bright Care's wonderful service has helped my husband achieve many things that were not possible before. They have made the problems that we both face a lot easier." - Dorothy

Our Care Staff:

Our friendly care staff truly understand what it is to care for someone really well. We choose them carefully and carry out thorough background checks. We take time to match our care staff to your preferences and personality. You are always in control of your care arrangements.

A great way to ensure you are looked after is to ensure our care staff are looked after too. We work hard to make everyone feel like part of the team.

The Next Step:

Get in touch! We will come and see you in your home at a convenient time for you. You may want to invite a family member or a friend to be there too.

We will chat about how our services work and what they cost. We will find out what we can do to help you and answer any questions. Following this, if you would like to go ahead, we can usually get things set up within a few days. It's that simple!
