

The Locator Tool

Stay connected at the click of a button

- Locator is an innovative web tool that makes it quick and easy to find local **services and activities provided by the third sector.**
- The result of an extensive mapping process in South Lanarkshire, Locator flags up a variety of helpful resources, including **lunch clubs, community transport, food co-ops, arts and crafts, health and care support and more.**
- Users simply enter a **postcode or town**, the **day(s)** they would like an activity for, the **distance** that can be traveled, and choose from **over forty categories.**
- Since launching in 2013, the tool has proved extremely popular with both members of the public and health and social care professionals, receiving **over 500,000 hits.**
